Merry Christmas  
and Happy  
New Year from  
Integrated  
Bio Systems

All of us here at Pacific Dairy Centre would like to wish everyone the warmest of Christmas seasons and peace for all in the New Year. We are truly grateful for each and everyone of our wonderful customers and their families! Wishing you all have a memorable and cherished Christmas time this year and that it carries over into 2013 for you. We hope you get a chance to relax, spend precious time with family and friends, and possibly explore some of this beautiful province that we are so fortunate to live in. A very Merry Christmas to all and hopes for a Blessed New Year in 2013.
